STEWARDSHIP OPPORTUNITIES FOR 2012

Connecting through Jesus Christ – Sharing His love – Becoming Faithful disciples

As a community of faith, our members each bring unique talents and strengths to the building of the Body of Christ. We invite all of our members, who are able, to be a part of this building of the Body through their participation on committees and activities which work behind the scenes in the areas of worship, education, evangelism, membership, outreach, administration, etc. We know with the help of every member of Chapel in the Pines Presbyterian Church great things can be done to witness to Christ's presence among us. Please take time to look over this and indicate areas you would like to learn more about or in which you would like to share your talents and energy.

Please return your completed form to the church office. You may place the form in the offering plate on Sunday morning or mail the form to the office at the address on the back.
